

Who We Are

Phlebotomy Services, LLC is a leading provider of specialized phlebotomy training services, dedicated to delivering precise and compassionate blood collection solutions since 1998. We developed an phlebotomy online training program in 2016 that can be accessed 24/7. In 2020, we developed an instructor led online training program that can be completed virtually. We provide cutting edge solutions to meet the needs of our clients. We can work together to find a solution for your phlebotomy need.

DIFFERENTIATOR

Phlebotomy Services has years of experience and is an expert in our industry.

Our curriculum is regularly updated to reflect the latest industry standards and practices so that our education program is current. We can adjust the content to fit your specific need.

We serve a diverse client base including state public health departments, college/university, laboratory, hospitals, clinics, clinical trial research and dentistry .
